92/18.1 **Received & noted** update [circulated with agenda] from Clerk on highway, footpath and other general matters since last meeting. [Note - Cllr. Snow had made a declaration of interest in item 2.4 of this report]. Regarding item 2.2 of the report, a copy of the reply received today from Mr Goodwill was given to all councillors. Members were appalled and astounded at his suggestion that a possible solution to the problem of the Post Office not accepting unbagged cash was for the Clerk to pocket any cash received and write out a personal cheque in favour of the Council. They **noted** the Clerk was equally horrified at the suggestion and would not be a party to it. It was **agreed** the Clerk reply to Mr Goodwill

expressing Council's horror at the suggestion and its disappointment with his discouraging reply (copy to the YLCA who were putting an article in the next White Rose Update).

93/18.3 Correspondence received after preparation of the agenda which the Chairman of the meeting deemed it necessary to consider as a matter of urgency - 1] the Chairman reported on recent complaints he had receive from several residents of Hay Brow Close regarding the unusual colour the front of one of the properties had been painted. He had made enquires of SBC Planning department but it was unlikely any remedy lay in their direction. 2] the Chairman reported there had been a distinct lack of action by 95 Alive in respect of speed referrals and he had referred the matter to the Police and Crime Commissioner.

94/18 **FINANCIAL MATTERS**

94/18.1 **Resolved** the Schedule of Accounts payable for June 2018 (Schedule 3) [*tabled at meeting*] in the sum of £5,461-47 be approved. **Noted** Cllr. Snow was the only councillor present who was a cheque signatory. Chairman's offer to get other councillor signature from Cllr. Foote or Thompson was accepted.

94/18.2 Long term planning - Chairman explained he considered it prudent that the Parish Council considered the way forward, including office accommodation as the lack of permanent office premises was undesirable. It was agreed that the ideal was somewhere which allowed for office premises with facilities for meetings, storage & parking but all possibilities should be looked at. At such times as a councillor became aware of any potential premises they should make the Chairman and Clerk aware so that the matter could be considered by the Council as a whole.
